I am currently pursuing my B.E. in Artificial Intelligence And Data Science degree at Dr. D. Y. Patil Institute of Technology, Pimpri. I have a YouTube channel where I upload videos on coding, projects, motivational video, and fun videos. I am always dedicated to my work and try to complete my work in a given time. In my spare time, I do coding, reading, drawing , and playing with electronic gadgets. I am passionate about my work and always try to learn new things to improve myself day by day.
